MEMORANDUM FOR: Members of Training Selection Board

25X1A An unusual case has presented itself which I feel requires Board action. Executive Officer, DDS&T, on his own initiative applied for a Littauer Fellowship. As indicated in the attached letter from Harvard, he has been accepted. 25X1A is now faced with two alternatives: (1) to perform this study under Agency sponsorship, or (2) to accept the \$5600 grant. If the Agency sponsors he would not 25X1A receive the grant and the Agency would underwrite all costs, which would include salary, tuition, travel, and other costs associated with the study. If the Agency does not sponsor him, it would 25X1A require that take the time as leave without pay and he would receive a grant of \$5600 to cover tuition and associated costs.
